LETTER REGARDING INFORMATION DISCLOSURE STATEMENT

Sir:

Applicants filed an Information Disclosure Statement on December 8, 2004, with a PTO-1449 Form listing documents cited by the European Patent Office. Listed under the "Other Documents" on the PTO-1449 Form is an article authored by Kiyohide Satoh, et al. The title of this article on the PTO-1449 Form contains an error. The correct title is --"A Hybrid Registration Method for Outdoor Augmented Reality"--.

In order that the document will be correctly referenced on the face of any patent issuing from this application, Applicants are submitting herewith another PTO-1449 Form with the correct title. In all other respects, the PTO-1449 Form submitted herewith is identical to that submitted with the Information Disclosure Statement filed December 8, 2004. Applicants respectfully request that Examiner initial the PTO-1449 Form attached to this letter when the documents listed thereon have been considered.

Since copies of the documents were provided with the Information Disclosure Statement filed December 8, 2004, no copies of the documents are being filed with this Letter.

Applicants believe that no fee is due. If any fee is due, the Commissioner is authorized to charge Deposit Account No. 06-1205.

Applicants' undersigned attorney may be reached in our Washington, D.C., office by telephone at (202) 530-1010. All correspondence should continue to be directed to our address below.

Respectfully submitted,

Attorney for Applicants
